ACTIVITIES

Activities Week

Saluting America's Independence set the theme for Bogie's Homecoming Week. Students shed their jeans for Dress-up Day on Monday, wore patriotic colors for Red, White, and Blue Day on Tuesday, displayed hats of all sizes and shapes for Hat Day on Wednesday, and wore gold and white for the traditional Gold and White Day on Thursday. Also, during the week, various clubs purchased pins to stick in a voo-doo doll that represented a Lakewood Spartan. Climaxing the week, however, was Activities Night and the Homecoming Game.

Spaghetti Dinner

Recapturing the "Spirit of 1776," Activities Night included a spaghetti dinner, a pep assembly, a float parade, and club field events. D.E.C.A.'s float won first place in the float competition with Choir finishing second and Student Govt. third. Next, the club field events included the Valley Forge Pull, the Firecracker 440, Washington's Silver Dollar Toss, Paul Revere's Ride, and the Boston Tea Party. Indeed, Activities Night truly put everybody in the spirit for the Homecoming Game.

Even though Bogie fans had to weather an afternoon in the rain and a loss to Lakewood, they still kept their spirit throughout the Homecoming Game. Halftime activities included the awarding of the Principal's Trophy to D.E.C.A. for earning the most points during Homecoming Week and the dancing of Edgar Scrivens to "Scorpio" for part of the Band's special halftime show. Highlighting the event, though, was the crowning of Gail Runcie as Homecoming Queen.

Homecoming Dance

On October 18th, nearly three hundred fifty students concluded Homecoming Week celebrations at the Homecoming Dance at Ramada Inn. Students danced to the music of "Razzle Dazzle," which played both hard rock and soft melodies. Sponsored by the Junior Class, the dance was an exciting finish for Bogie's "Salute to America's Independence."

Project Self

Project Self, an innovative, educational experiment, provided students a chance to learn to see the world as it is, objectively. Each month ten students were selected from volunteers to spend ten days on the lakes, trails, rivers, and woodlands of Central Florida. Even though participants were often hot, cold, tired, wet, dirty, sore, and sometimes hungry, many still had fun overcoming difficult outdoor situations. According to one participant, however, the most rewarding experience was being able to take a nice, long, hot shower upon returning home.

Pop Concert

Choir

To an almost filled auditorium on October 30th, the Music Department presented a Pop Concert which included a variety of pop music numbers from "How to Succeed" to "MacArthur Park." In addition to the Choir's numbers, Senior, Junior, and Sophomore Baker's Dozens, and Golden Belles each sang two popular songs. Also, Choir members with special talents performed individually. Then the Jazz Band, formed only last year, rounded off the concert with the performance of four numbers, their greatest hit for the night being the "Fourth Dynasty."

Senior Prom

As a big contrast to the usual jeans and tee shirts, Seniors and their dates came to the 1976 Prom wearing tuxes and long dresses. They enjoyed an evening of entertaining music by "Ole Limousine." Beatle songs, 50's music, and many popular songs were among the selections performed by the group. The elegant atmosphere of the Don Cesar provided the perfect setting for a memorable evening. The night concluded with Steve Flanigan singing the theme song of the Prom, "Stairway to Heaven."

January Graduation

Over one hundred students participated in the early graduation ceremony on January 19th in Bogie's auditorium. The first student to give a speech was Leslee Nelms who greeted the graduates, their families and friends. Terry Williams then delivered the "Student Address," encouraging the new graduates to become more responsible and independent during their transition from high school life to adulthood. After receiving their diplomas, the graduates joyfully concluded the ceremony by tossing their caps into the air.

Drama Club

On December 13th, Drama Club presented "The Make-Up Artist" at District Competition in Tampa, featuring Darlene Riesen in the title role and John Kinter as Jack the Actor. The play was awarded a superior rating. In addition, Drama Club presented "No Crime in the Streets", a play about the "street life" in New York City. The members also presented an evening of four one-act plays second semester. The plays were:

"Between Eleven and Thursday"

Black Uhuru

Left to Right: Shirley Miller, Brenda Cunningham, Regina Kennedy.

Black Uhuru, through its annual program, raised money for the Florence Nightingale Center and for the Sickle Cell Anemia Sponsors. Their theme, "Black Youth Today," was depicted through skits, plays, poems, songs, and dances that members of Black Uhuru and Pirettes performed. All of the cast members worked very hard to pull off a good show to be remembered by all of those who attended.

Left to Right: Beverly Keys, Dannette Bassett.

Raul Maralit

Paula Celis

Bogie was honored to have four foreign exchange students — Sabine Burger from Germany, Paula Celis from Chile, Raul Maralit from the Philippines, and Yukimi Sugiura from Japan. Even though all four students spoke English quite well, adjusting to a new family, new friends, and new foods proved very challenging to them. Certainly, we hope they enjoyed their stay in the U.S., and we wish them the best of luck in whatever they do.

Apathy Club

Over the years Bogie has been in the process of forming a new group. This year school uninvolvedness peaked, and a brand new Apathy Club was added to Boca Ciega. There is only one membership requirement for this club — an active disinterest in all school activities. How can a prospective member know if he meets the needed requirements? A quick look through the club section of this year's annual will tell. If he doesn't see his picture anywhere else, then the chances are good that he belongs in Bogie's new club. But even if a student does qualify for admission to the Apathy Club, he really shouldn't bother to come to any meetings: none of the other qualified students bothered to attend the meetings this year. The officers weren't elected this year; no one wanted to take on the responsibility of running a club. All the club's plans had to be canceled because of lack of student involvement. And club pictures had to be taken without the club this year — members didn't bother to show up!

With only three returning starters, a new Head-coach, and a predicted record of 1-9-0, the 75-76 Varsity football season did not look very promising. However, new Head-coach Don Murray, has brought a new spirit and leadership to Boca Ciega football. Boca Ciega ended their season this year with a 2-8-0 record. The two Pirate wins were a 42-25 shellacking of Gibbs, in which Tony Ross and Willie Edwards both accounted for three touchdowns, and Junior Brett Hayman, All-City kicker, was a perfect 7-7 against Gibbs. Following the game against Gibbs, Edwards and Ross were named the Evening Independent Co-Offensive Players of the Week. With everyone sitting on the edge of their seats and biting their fingernails, Bogie squeezed by Dixie Hollins 10-9. With great defense led by Bill Engel, who made All-City Defense, an interception by Steve Flanigan added to a 34-yard field goal by Bret Hayman (which is a school record), Boca Ciega managed another winning combination.

Despite all of these injuries, Bill Engel made ALL-CITY defense. Also Engel and Edwards were voted MVPs. Newton and Baxley were voted Outstanding Linemen (OFF. and DEF.) and Ross and Flanigan were voted Outstanding Backs (OFF. and DEF.).

The new girls' sport added to Boca Ciega this year was varsity basketball. In its first season, the girls posted a record of 5-6 in the conference and a record on the .500 mark, 8-8 overall. With a young team of mostly sophomores and freshmen, prospects look great for next year. The team will lose three seniors, Cynthia Mason, Janet Goodrich, and Patti McMullen. Four starters remain for next year. Bonnie Thompson (point-man) averaged 10 points and Marisa Carmody (only a freshman) averaged 14 points.

Goodbye Mr. Kriever

Hello Mr. Demps

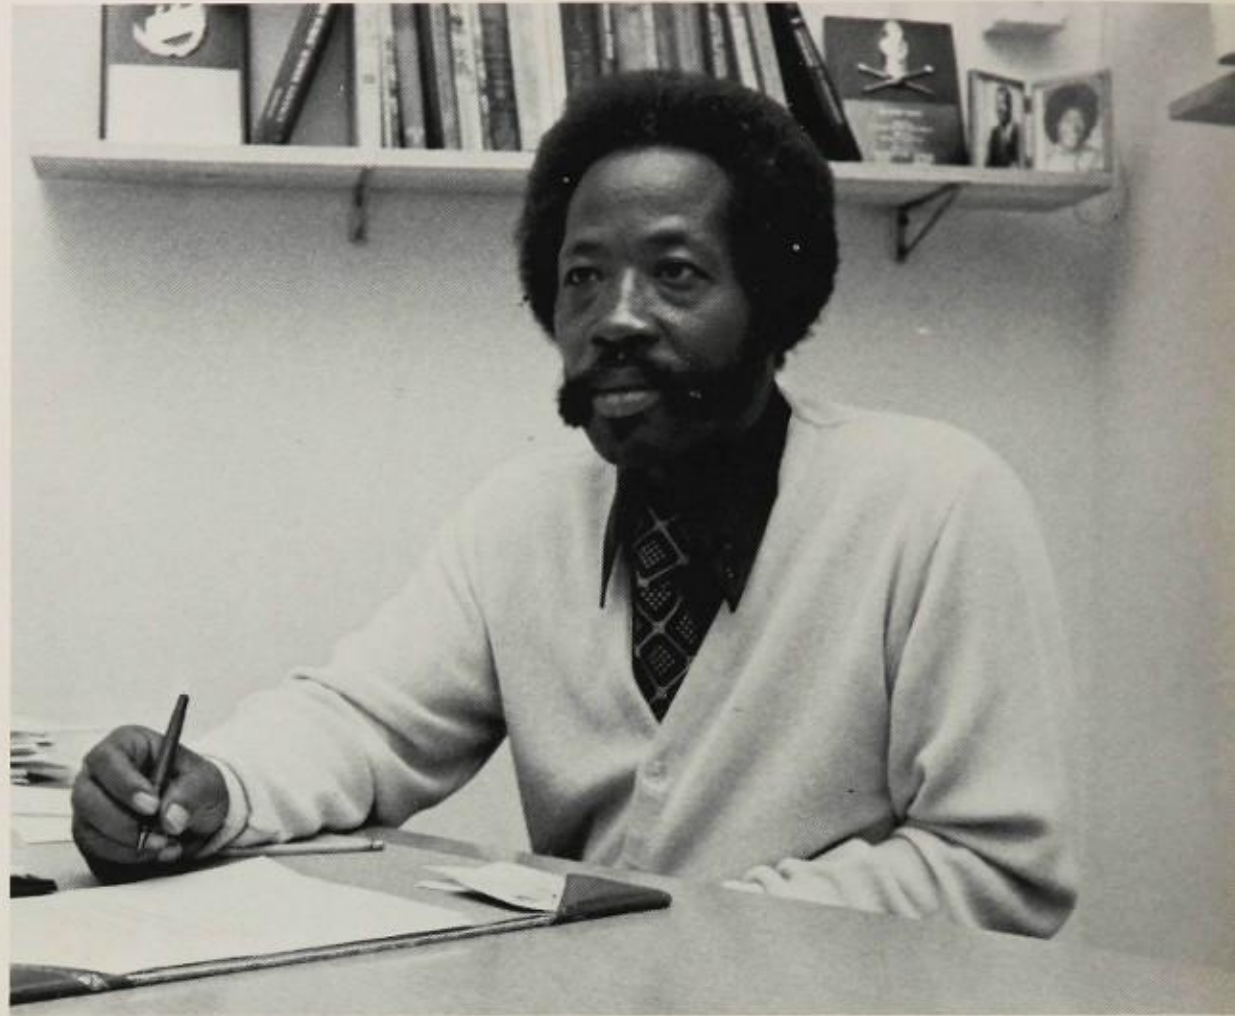

1975-76 marks Mr. Hugh Kriever's last year at Boca Ciega. Over the past three years, he has taught us to have pride in ourselves and our school. By attending our games and other school activities, he showed that he had pride in us. Moreover, he has always been our friend and has never closed his door to any of us. Undoubtedly, we are sad to see him leave, but we look forward to the leadership of Mr. John Demps.

Thank you, Mr. Kriever, for three good years, and welcome to Bogie, Mr. Demps.

In order to express my appreciation to all those who helped the staff throughout the year, I would like to take this opportunity to say thank you. First, I would like to thank Professor Sims for his picture of the eagles in the opening section. Second, I'd like to thank the Kapok Tree Inn, the Bounty, and Sunken Gardens for allowing us to use their grounds for pictures. And third, I would especially like to thank Bryn-Alan Photographers for all of their patience, time, and assistance throughout the year. But to Mr. Gagne, my staff members, and anyone else who helped out, I would like to give a special thanks because this yearbook wouldn't have been possible without them! Thank you!
